Combina y crea tu propio tirador

El actual presentador de MasterChef y propietario de uno de los restaurantes más conocidos de España, es también un gran entusiasta de los diseños de SC Herrajes, empresa a la que le une una estrecha amistad.

SC Herrajes y El Bohío comparten la filosofía del saber hacer, el cuidado por el detalle y la búsqueda de la máxima calidad y perfección. Como el mismo Pepe dice: “un producto tiene que ser bonito por fuera, pero tener calidad por dentro”

En El Bohío, se aprecia el valor del diseño, y por ello Pepe utiliza modelos de tiradores SC para presentar los platos y bocados más vanguardistas en su restaurante.
